***NOTE: Dropping Classes, Withdrawing from Classes & Refund Policy**

The first week of the fall and spring semesters (until the end of the 100% refund period) will be treated as a true drop/add period. Any classes that are dropped during this period will be deleted from the student's schedule. For student aid, loans, and business accounting purposes, the number of credit hours at the end of the first week will be the criteria by which calculations and awards will be determined.

Classes dropped after the one-week drop/add period will be recorded with "W" grades, representing a withdrawal from the class. Standard Refund Percentage Schedule: Week One-100%, Week Two-80%, Week Three-60%, Week Four-40%, Week Five-20%. After Week. Five-0%.

For intensive classes the refund schedule is one day equals one week in the above schedule.
